

Jihyeon Ko

Front End Developer

 +1 647 472 3160  developerjih@gmail.com [LinkedIn](#) [GitHub](#) [Portfolio](#)

SUMMARY

Front-End Developer with 4+ years of experience building responsive, user-friendly websites. Proven track record in creating interactive event pages, maintaining scalable front-end systems, and collaborating in cross-functional teams. Enhanced user experience and improved website conversion rates by up to 80% through clean, accessible code. Recently completed a full-stack project using **React** and **Django**, gaining hands-on experience with backend development and API integration.

EXPERIENCE

Freelance Frontend Developer

 February 2023 - December 2024 |  Medirise, Seoul, South Korea

- Delivered front-end development and maintenance across multiple projects concurrently.
- Ensured stable service by managing live websites on platforms like **Cafe24**, including version control and uptime monitoring.
- Communicated clearly with non-technical clients to translate requirements into solutions delivered on time and on budget.

Front-End Developer

 September 2022 - February 2023 |  Nice D&B, Seoul, South Korea

- Improved page load speed by cleaning redundant HTML, CSS, and assets.
- Migrated legacy CSS codebase to **Sass**, improving maintainability and scalability.

Front-End Developer

 November 2019 - February 2022 |  Visang Education, Seoul, South Korea

- Collaborated on projects using **PHP**, **SpringBoot**, and **React Native**, demonstrating adaptability across tech stacks.
- Developed reusable layout templates to streamline workflow and reduce development time.

PROJECT

Guestbook Web App

- Built a full-stack guestbook using **React (frontend)** and **Django (backend)**.
- Deployed backend on **AWS EC2** and connected it to the frontend on **GitHub Pages**.
- Gained full-cycle development experience, from coding to deployment and domain setup.

EDUCATION

Inha Technical College - Incheon, South Korea

Bachelor of Science, Chemical and Biological Engineering

 March 2016 - February 2019
